Get a grip with the DewEze Pivot Bale Bed, ranging from 34 to 110 inches wide, or opt for the original Parallel Bed, gripping 41 to 90 inches, designed for easy feeding in a ring.

Ensure smooth bale handling with industry-leading DewEze engine-driven hydraulics. Our clutch pump kits are designed to deliver the ideal flow, pressure, and power you need.

WHAT WE FIT

FOUR**WARD.**

Over the last four decades, DewEze has been a leader in bringing fresh ideas to the field. Since our first beds rolled out in 1984, we've remained deeply-connected to agriculture and to our customers, fostering a commitment to making farm life easier.

But these beds are not just a tool; they're a testament to our dedication to quality and durability. Crafted with precision and built to outlast, the redesigned 800/900 Series Bale Bed ensures that DewEze remains a reliable partner on your operation.

That's why we're #Moving2024*ward:* honoring our past, fueling innovation, and securing a lasting legacy for future generations.

―――――

Fourward: Trusted by generations, engineered for yours - that's DewEze.
